## Single User License To Use Proprietary Materials Relating To “Advanced Training AutoPilot™ Mach 3™ For The Innova”

**NOTICE: CAREFULLY READ THE FOLLOWING LEGAL AGREEMENT**

---

### Use of These Materials

The use, perusal, review, and/or analysis [Use] of the materials by a person, group, or business [Customer] is only allowed according to the guidelines of this Limited Single User License Agreement [License]. The License is to the user and is not associated with a computer, system, or any other person or thing.

### Who Owns The Materials

Forever In Stitches, LLC and Accomplish Quilting, Inc. [Owners] are the owners of the Materials. All materials are copyrighted. The Owners have all and exclusive rights to the materials. All Licenses must originate from one of the Owners for compensation.

The Owners created these materials because they are key to their core business goals and are therefore proprietary, confidential, and valuable.

It is the Owners intent to provide you with the opportunity to accomplish an exceptional level of skill in the use of the Auto Pilot Mach 3 Software. The Materials should prove to be a valuable creative and competitive advantage for you.

### How Do You Obtain A License

All licenses are obtain by compensation to the owners. Use of the Materials in any way constitutes agreement with the License. The Owners do request the completing of the License for administrative purposes.

If you do not agree with this license agreement, please return all of the Materials to the instructor or the Owner from which you procured these Materials.

### What Materials Are Covered By The Single User License

The items that constitute these Materials are, in part or together:

- The workbook entitled “Advanced Training AutoPilot™ Mach 3™ for the Innova” [Workbook];
- Electronic materials including the project layout and all patterns used in the Workbook [USB Drive]; and,
- Any one or all of the videos of the exercises and projects in the Workbook [Videos].

### What Can You Do With The Materials

With any of the Materials, you are only licensed to privately:

- Read or refer to the Workbook as often as you deem necessary;
- Do the Layout and Projects as many times and as often as you wish;
- Use the project layout in performing your exercises as often as needed;

- Watch the videos as often as you like;
- Do any combination of the above as often as you desire;.
- The patterns are for your use only and can be used for purposes other than the Projects;
- Make a copy for backup of the USB Drive and videos to protect your investment from loss or corruption; and,
- You may recommend or critique the Material without disclosing the details of the contents.

The above must be done by yourself or with another/others who has/have properly acquired their own License(s) and are using their own copies of the Materials from the Owners.

## What You Cannot Do With The Materials

You cannot:

- Share or show any part or the entirety of the Materials;
- Teach, demonstrate, show, or instruct others, for remuneration or not, using any part of these Materials;
- Store the Materials on the web, social media, email, or any other method that could be used by another person; or,
- Sell, give, or donate the Materials for remuneration or not.

## Deviation

Deviation from this License is only authorized with written approval from one of the Owners.

## Misuse

Accidental or intentional misuse of the Materials is deemed to have a severe negative effect on the Owners and action will be taken in accordance with the laws of the State of Michigan.

## Questions?

If you have questions about this license agreement, contact Forever In Stitches, LLC at +1.419.358.0656 or [License@ForeverInStitches.com](mailto:License@ForeverInStitches.com).

## Agreement With The License

If you do not agree with this license agreement, please return all of the Materials to the instructor or the Owner from which you procured these Materials.

If you agree to abide by the license agreement, please keep one copy with the Materials and sign and date the other below and send one to either:
